**INSURANCE COVERAGE FOR SANITARY SEWER BACKUPS**

Following the unpleasant event of a sanitary sewer system backup, some sanitary sewer customers have learned that neither their insurance company nor the Moon Township Municipal Authority (MTMA) is responsible for damages incurred. The Moon Township Municipal Authority is not responsible for sudden and/or unforeseeable sanitary sewer backups and many homeowners' insurance policies do not provide coverage for these occurrences. Please check your property insurance to verify that you have adequate coverage. In the event of a sanitary sewer backup, you may call the MTMA to verify the sanitary sewer main is not clogged. If the backup is being caused by your sanitary sewer service line, it will be your responsibility to correct.
