The owner is responsible for the design, size and functionality of the private fire suppression system. The owner is required to install and maintain a testable backflow preventer, which must be tested and inspected annually at their own cost. An administration fee will be charged quarterly basis for the inspection and maintenance of backflow device testing records.

I HEREBY MAKE APPLICATION FOR WATER, SEWER, FIRE PROTECTION, AND SOLID WASTE/RECYCLING SERVICE (AS APPLICABLE) AND AGREE TO BE GOVERNED BY THE RATES, RULES, AND REGULATIONS AS ADOPTED BY THE AUTHORITY. I FURTHER AGREE THAT I SHALL NOT PERMIT SURFACE OR ROOF DRAINAGE OR GROUNDWATER TO BE CONNECTED TO OR ENTER THE SANITARY SEWER SYSTEM FROM THE DESCRIBED PREMISES.

SIGNATURE _____ DATE _____

INSURANCE COVERAGE FOR SANITARY SEWER BACKUPS

Following the unpleasant event of a sanitary sewer system backup, some sanitary sewer customers have learned that neither their insurance company nor the Moon Township Municipal Authority (MTMA) is responsible for damages incurred. The Moon Township Municipal Authority is not responsible for sudden and/or unforeseeable sanitary sewer backups and many homeowners' insurance policies do not provide coverage for these occurrences. Please check your property insurance to verify that you have adequate coverage. In the event of a sanitary sewer backup, you may call the MTMA to verify the sanitary sewer main is not clogged. If the backup is being caused by your sanitary sewer service line, it will be your responsibility to correct.
